2016 MSTEP EXCITING NEWS!

The BMS staff was excited about last spring's results. Do we have room to improve? Absolutely, but our kids are showing us that they are learning and are able to apply what they have learned on the state assessment.

By the time our student's leave our building as 7th graders they are 1st in the county in ELA and 3rd in the county in Math in MSTEP scores as related to Student Growth.

VERY EXCITING! GREAT JOB JR. HERD!

2017 MSTEP update

- ▶ **TESTING DATES:**
 - ▶ Online testing will begin April 11th for 5th grade.
 - ▶ Online testing will begin May 1st for 6th grade.
 - ▶ Online testing will begin May 1st for 7th grade.
- ▶ **What test will each grade level take and how long are the test?**
- ▶ **5th grade– Reading, Writing(Performance task), Math and Social Studies**
