The Michigan Merit Curriculum (MMC) requires that the student earn specific credits to graduate from high school. Credits are earned when the student demonstrates competencies in content expectations in the given subject areas. The law allows certain modifications of these credits and/or expectations through the development of a Personal Curriculum (PC). A Personal Curriculum Committee will meet to determine eligibility and modifications that are consistent with student needs and district requirements/policy.	
<input type="checkbox"/>	I understand that modifications to the Michigan Merit Curriculum may limit the student's readiness to be admitted to college, be eligible for college scholarships, enter trade school, secure a job in a career choice, or be eligible for NCAA athletic programs.
<input type="checkbox"/>	I understand major modifications to the MMC may not result in a Michigan diploma.
<input type="checkbox"/>	As an emancipated student who has chosen to participate in a PC, it is my responsibility to maintain communication quarterly with teachers regarding the areas of modification.
<input type="checkbox"/>	I understand that the student may or may not be eligible for further consideration of a PC, even though a PC is requested.
<input type="checkbox"/>	I understand that if the student does not fulfill the approved Personal Curriculum, the PC is null and void; the student is obligated to make up the classes that were waived by the PC to be eligible to graduate.
