WELCOME TO THE 2021-2022 SCHOOL YEAR!

Dear Buck Families,

I hope that you have had a wonderful and rejuvenating summer. **We are excited to welcome all students back to school in-person on Monday, August 30th.** BCS has been busy this summer. We filled key positions throughout the district and completed various projects around the district. Here is a list of our projects:

Summer Projects

- Buchanan High School received a fresh layer of paint in the hallways and restrooms
- Two classrooms at Moccasin received fresh paint and carpet
- Installed power gates in the transportation area
- Installed new appliances in culinary
- Installed a new kitchen floor at Moccasin along with a new three compartment sink

In addition, we continue to work in conjunction with our Board of Education to provide your children with the very best we have to offer:

- We are committed to making improvements to our system that help us build equitable and inclusive opportunities for all students academically, socially and emotionally.
- We build on the strengths of staff by providing weekly Professional Learning Communities (PLCs) which allows time for teachers to meet the needs of the students they serve, and our students are already reaping the benefits through training and collaboration
- We continue to refine, explore and expand academically rigorous pathways aligned to Michigan's Common Core State Standards and community standards with a focus on innovative teaching and learning.

Our Return to Learn Plan has been shared and is posted on our website. Returning to school will be a more traditional experience. Currently, the only mandate we have is the use of masks on school buses. We will continue to provide you with the most updated information concerning our Return to School plan.

With the many announcements and scheduling information forthcoming from our district and schools, I encourage you to visit our website for frequent updates at www.buchananschools.com. I also invite you to like us on Facebook for updates.

It is an exciting time to be in BCS, and it is my great honor to serve as your superintendent. There is no better place in which to learn and work. Thank you for your continued support as we strive to do our very best for our community's children. They deserve it, and we simply cannot do this important work without you. We look forward to seeing you and your children soon.

Best wishes for an outstanding school year,

A handwritten signature in black ink, appearing to read 'Patricia L. Robinson'.

TENTATIVE BACK TO SCHOOL EVENTS

KINDERGARTEN/FIRST GRADE STUDENTS

Thursday, August 26th from 5:30-6:30 pm

There will be a parent meeting in the gym at 6:15 pm for all families new to Ottawa.

PRESCHOOL STUDENTS

Monday, September 13th, 5-7 pm and Tuesday, September 14th, 9-11 am

All Ottawa staff members will be able to assist your child with any problem if they know their full name. Be sure your child's backpack always has the school issued ID tag and they are able to communicate their first and last name.

- Any adult picking up children must be listed by the parent on the child's emergency card.
- All doors lock when the tardy bell rings at 8:45 and remain locked until the 3:43 dismissal. Please go to the front door and ring the doorbell to the right of the doors to enter after 8:45. Students must be signed in by an adult after 8:45.

ARRIVAL AND DISMISSAL

Our safety procedures for adult to adult transfers of children at the beginning and end of day takes a little extra time, but keeping children safe is our number one priority. Please read carefully and adhere to these procedures for the safety of our staff, students and families.

School hours are 8:40-3:43. Tardy bell rings at 8:45.

- Adult staff will be available to supervise students beginning at 8:15.
- Adults will not be able to enter the building with children past the front office doors. You may park and walk your child to the front doors or drop off in the north parking lot through the car line.
- Kindergarten and first graders will line up inside the fenced in playground area adjacent to the north parking lot with adult supervision. When the weather is inclement, they will wait inside.
- Be sure your child arrives at school by 8:40 to avoid being marked tardy after 8:45.
- Breakfast will be served beginning at 8:15. Those eating breakfast will be directed to the cafeteria.

CAR RIDERS

When dropping off or picking up your child in a vehicle **you must use the parking lot pick up process**. ALL car drop-offs and pick-ups will be in the north parking lot staffed by adults before and after school. **There will be no drop-offs or pick-ups in front of the school on either side of Ottawa Street or in the south parking lot.** To get in the car line drive down 3rd Street towards the school as there will be no turning left into the school parking lot from Ottawa Street. We will be using hang tags. We call children by their last name and grade level. **Be sure your child knows his/her last name and grade level, example Smith/Kindergarten.** Sometimes the line may back up into Ottawa Court, please do not block resident's driveways.

WALKERS

Students walking home by themselves will need a note from the parents to indicate approval to ensure the safety of the child. Adult crossing guards will help your child travel safely to and from Ottawa. Be sure to talk to your child about following the directions of the adult school supervisors and crossing guards. Walkers will use the front entrance of the school.

If an adult chooses to walk their child to the front door in the morning or pick up after school, please park in the Church of the Nazarene lot. Our buses may block the entrances to the south parking lot and you will not be able to exit until the buses leave. We have permission to use this parking lot at 704 W. Front. You will need to walk your child to and from this lot. We encourage parents if dropping off or picking up to use the car line in the north parking lot.

BUS RIDERS

Bus students enter through the front doors and report to the cafeteria to eat breakfast. Those not eating breakfast will join their before school line as detailed above. After school, staff will walk students in their bus lines directly to the bus they ride home.

Please note, changes in your child's after school plans for dismissal must be communicated adult to adult. Please call the office before 3:00 pm if there are transportation changes.

Teachers do not always have time to check their email or messages during the day and we want to be sure of your child's safety after school. Thank you for your understanding and cooperation!

***We look forward to welcoming
your Little Buck!***

WELCOME TO MOCCASIN ELEMENTARY AND THE 2021-22 SCHOOL YEAR!

I am honored to continue to serve our staff, students, families, and our community.

ARRIVAL AND DISMISSAL

Regular School Days: 8:45 am to 3:48 pm

Wacky Wednesday Days: 8:45 am to 3:15 pm

Half Days: 8:45 am to 12:10 pm

The dismissal time has changed this year for regular school days. We dismiss at 3:48, just a few minutes later this year.

ARRIVAL

- If you are dropping off your student, you might consider dropping off closer to 8:40, so your student does not have to wait outside for a long period of time.
- **Please drop off students on Fifth Street.** Students who are dropped off in the morning are to wait in the fenced in playground area at the back of the school.
- **Breakfast begins at 8:20.** Students eating breakfast should enter through the gym doors off of 5th Street. Students will then go to the playground area when done eating.
- Adult and Safety Patrol supervision for students does not start until 8:20.
- Adult crossing guards and 4th Grade Safety Patrol will be on duty at designated crossings and building entrances around the school.

DISMISSAL

- The loading and unloading zone for buses is along the east side of Moccasin Street **directly in front of the school** from 5th St. to just past the north parking lot. This area is designated as a "bus loading/unloading zone" only. NO car drop-off or pick-up is allowed in this zone.
- **Car Riders** will be picked on Fifth Street at the south end of the building. Fifth Street is a one-way street that is accessed off of Main Street. Pick-up and drop-off will be one lane along the sidewalk by the gym entrance.
- **Walkers** will exit the "old main entrance" on Moccasin Street. As Moccasin has older elementary students, they will be released to walk home at the dismissal bell. Parents do not need to come in and check them out. If your child is a walker, please ensure that he or she knows their designated walking route to and from school (the route you expect them to walk every day).

P.M. SHUTTLE BUS FROM OTTAWA

Due to the age of Ottawa students coming to Moccasin via the shuttle, they **will not be released** from the bus until a parent or designated person comes to the bus door and accepts the child(ren). The person **must be listed on the student's emergency card** or approved by the school office prior to pick-up. Staff may ask adult for ID. If you are waiting for the shuttle, please park either before or after the bus pick-up zone on the east side of Moccasin Street (before Fifth St. or after the exit for the north parking lot). **While waiting for the shuttle bus, please social distance.**

BIKE RIDERS

Students may ride their bikes to school at Moccasin with parent permission. Bike helmets are encouraged. Racks are located in the rear of the building on the south end off of Fifth Street. Bikes must be placed in the rack. Students/parents are responsible for providing locks to ensure the safety of their bike. The school is not responsible for bikes.

BACK TO SCHOOL NIGHT (TENTATIVE)

Please join us for our Back to School Night on August 26, 2021 from 5:00 to 6:00 p.m. We will have a Grade 2 Parent Meeting with all incoming Grade 2 parents from 5:00-5:15 p.m. in the gym.

JR. HERD INFORMATION

SCHOOL DAY START & END TIMES

- Full-Day: 7:30-2:25
- Wacky Wednesday: 7:30-1:55
- Half-Day: 7:30-10:50

FIRST DAY OF SCHOOL

School begins this year on Monday, August 30, 2021, with a full day of classes. The **front cafeteria door** will be open at 7:00 a.m. for breakfast. **Doors open for all students at 7:20 a.m.** Classes will begin at 7:30 a.m. and end at 2:25 p.m. Students should be out of the building by 2:40 p.m. unless, of course, they are staying for an activity. Learning punctuality is imperative for adolescents as we prepare them for their future. Please assist us in teaching our students the importance of being on time for school and all of their classes.

This year, as in previous school years, BMS students will receive a packet containing our school's yearly calendar, conference dates, report card dates, and other information that will keep you aware of what, when, where, and how things proceed at BMS.

Parents who drop off and pick up students before and after school are asked to do so in designated areas in front of the school (flagpole side). Please use caution driving in this area. After 7:40 a.m. each school day, the front doors (by the flagpole) will be locked.

BMS DROP-OFF & PICK-UP PROCEDURES

Buses load and unload in the front of the building. Please do not park in the bus area located directly in front of the building OR IN THE TEACHER / VISITOR LOT from 6:55-7:20 AM and 2:00-2:45 PM.

During those times we ask you to stay in the inside lane and drop-off and pick-up along the sidewalk. PLEASE DO NOT PULL FORWARD ANY FURTHER THAN THE FIRE HYDRANT UNTIL DIRECTED BY THE POLICE OFFICER. Once you have dropped off or picked up you may merge into the outside or exit lane. In the morning, we are instituting a "STOP & GO" Policy. There will be no parking along the sidewalk. As buses begin to pull out, traffic will be stopped with the help of the Buchanan Police Department. As you exit the BMS Campus we ask that if you can, please only turn right as that will help with traffic flow.

Cars will be directed to pull forward in front of the building and allowed to drop-off and pick-up after all buses have arrived or departed. Please wait for the officer to direct you forward and remember to stay in the inside lane as

you pull forward. The outside or exit lane is only for leaving campus.

At dismissal, parking in the church parking lot and having students cross 4th Street is not a safe practice. There is not a crossing guard there, and students should not cross the street at this point. While the car line may be long, it moves quickly. Please be patient.

At BMS our students are encouraged to exhibit their school PRIDE on a daily basis.

School PRIDE consists of being
(P) prepared for class
(R) responsible and respectful,
(I) having integrity,
(D) dedicated to learning, and
(E) putting forth their best effort.

BMS has a school wide PRIDE program that recognizes our students for doing a great job in creating a learning environment that is safe, caring, and develops successful and responsible citizens.

HOME OF THE BUCKS

WELCOME TO THE 2021-2022 SCHOOL YEAR!

We are diligently preparing and gearing up for a “normal” year at BHS. We have an exciting year ahead of us as we look to bring back the cultural traditions that we missed out on this past year. BHS continues to offer a challenging curriculum, motivating and caring teachers, and an entire school community of people who care for our students. We will continue to check in with students and parents when an absence occurs as we believe student attendance and engagement is paramount to learning. Please read over our attendance policy as we at BHS feel it is vitally important for students to attend classes as we prepare our students for life. Communication between the school and the home is important to us and it is extremely important that we stay connected. BHS will continue to utilize the monthly Principal’s Updates and will share them via email, Facebook, school website, Instagram, School Messenger and Twitter. These updates contain important information for parents and students as well as showcase the amazing work of our students and teachers.

School Improvement is a continuous process and BHS works year-round to make our school a better place to learn. If you are interested in joining our conversations and helping with our initiatives, feel free to contact me for more information. The following are highlights of our current initiatives:

- **Chromebooks for every student grades 8 through 12.** Teachers continue to expand opportunities to use technology as a method to engage and promote student learning. Chromebooks are a required device during the school day. Device Protection Plans are available. Students are expected to have their assigned Chromebook along with their chargers with them in all classes.
- **Professional Development** opportunities for teachers that focus on making students the center of our conversations as we track academic growth and improve the culture and climate of our school. Teachers will also be trained in using technology platforms, specifically Google Suite applications.
- **Standards-Based Mindset grading** continues to be a focus, as BHS strongly believes that grades should reflect actual learning and mastery of standards.
- **Virtual Learning** continues to improve with MyVirtual in our E-Lab. Credit recovery as well as acceleration are possible with the approval of the Principal. This platform will be used for all students who did not earn credit in their previous courses in order to keep them on track for graduation.
- **Wacky Wednesdays** will continue. Students are dismissed at 2:07 every Wednesday to allow weekly professional learning time for staff.
- **After School Academic Learning Sessions** are once again offered Monday through Thursday. Sessions will begin on Tuesday, September 7 and transportation is available.

The school year starts a bit earlier than normal this year. **Classes begin Monday, August 30th.**

We are looking forward to another year of working with our Buck families to make this a safe and positive learning environment! The BHS staff hopes to see you at our first home football game on September 2 @7:00 against Niles.

GO BUCKS!!!

EIGHTH AND NINTH GRADE

CHROMEBOOKS will be distributed at an evening event. Communication to families will be made to set up a time to pick up those devices. Be looking for the Back to School edition of the BHS Bucks Principal's Update for more detailed information.

COMMUNITY VOLUNTEERS are always needed and sought after. If you have a talent or skill that you would like to share with us please reach out to the Principal's office at (269) 695-8403 option 1. No talents or skills are necessary however; sometimes we just need your time! All volunteers need to have a background check before working with students.

THE STUDENT HANDBOOK along with our Code of Conduct policies may be found on our updated school website at www.buchananschools.com in September. Policies have been created with the goal of creating an environment that supports learning. Keep our dress code in mind when you are shopping for your student's school clothing. Students not adhering to the dress code will be sent home to change or will be given a change of clothes

THE ATTENDANCE POLICY can be found in our student handbook and has been included in this communication. Please read it over carefully to make sure you understand it. Students are expected and required to complete assignments for each course even if absent. As demonstrated through remote learning last year, there is a direct relationship between school attendance and academic success. Students should make every effort to be in attendance daily. Please be sure that our attendance office is notified of all absences within 24 hours.

SPECIAL EDUCATION SERVICES AT BUCHANAN COMMUNITY SCHOOLS

Buchanan Community Schools operates quality special education programs in all four of our buildings. Providing programs and services in Buchanan to eligible students are eight specially trained and certified special education teachers, eight para-professionals, and three speech and language pathologists. Support also comes from the following staff members from Berrien RESA (Regional Education Service Agency): school psychologist, school social worker, academic teacher consultant, mobility specialist, assistive technology specialist, teacher consultants of the visually impaired and the hearing impaired, occupational and physical therapists. Students are placed in programs through an Individual Educational Program Planning Committee meeting composed of local district and Berrien RESA diagnostic and educational staff once appropriate assessments have been administered and the student qualifies under Michigan special education rules and regulations. Nearly 200 PK-12 students receive some kind of special education services including speech and language during the school day in Buchanan. Our special education programs serve a wide variety of eligible students with special educational needs in the following areas:

- Early Childhood Developmental Delay (ages 3-8)
- Specific Learning Disability
 - Determined by a process of analyzing the student's pattern of learning strengths and weaknesses
- Speech and Language Impaired
 - For Language, Articulation/Phonology, Voice, and Fluency (stuttering) concerns
- Emotionally Impaired
- Cognitive Impairment
- Autistic Spectrum Disorder
- Traumatic Spectrum Disorder
- Otherwise Health Impaired
- Physically Impaired
- Hearing Impaired
- Visually Impaired

Some students need programs that are not offered within the district. The IEP process is used to make this determination and to place these students in programs that offer the services necessary to meet their goals and objectives. Transportation is provided for these students.

Almost 50 students receive services in center-based programs operated by Berrien RESA throughout the county including a cooperative inter-agency program for 0-2.5 year olds in the Early On programs (269-471-7725) for infants and toddlers involving both parent and child.

Other center-based programs funded by Berrien RESA include:

- Berrien Springs Hearing Impaired Program provides services for students in the tri-county area. This program is operated by the Berrien Springs Public Schools. Students may attend a classroom program for the hearing impaired in Berrien Springs or may get teacher consultant services in their Buchanan classes. This program also provides on-site hearing diagnostic assessments with trained audiologists as well as follow-up with students who have suspected or verified hearing losses.
- Low-incidence special education programs for the cognitively impaired children who need full time placements are available at Berrien Springs MS and HS, as well as Howard School in Niles and the Southside School Pre-vocational studies program for ages 16-25 in Niles. These students have below average abilities and graduate with a certificate of completion. The curriculum focuses on independent living and employability skills.
- Blossomland Learning Center programs in Berrien Springs serve our moderate to severe cognitively impaired and severely multiply impaired students ages 3-26. The school assists students in preparing for entry into their respective communities as adults.
- Lighthouse Education Center in St. Joseph as well as Ballard and Southside Schools in Niles offer support to students with severe emotional impairments. These students exhibit a severity of emotional difficulties, which prohibits them from attendance in regular classrooms. Additionally students may attend Lighthouse if they have severe autistic impairments.

All special education programs and services follow the rules and regulations for eligibility set forth by the State of Michigan's Department of Education. For further information about student eligibility policies and procedures, existing programs, or speech and language services, contact your building principal or Karin Falkenstein, District Special Education Supervisor at 695-8442.

FOOD SERVICE PROGRAM

BECKY KALTENBACH
FOOD SERVICE SUPERVISOR
rkaltenbach@buchananschools.com

All student breakfasts and lunches will be provided FREE of charge for the 2021-22 school year

COVID 19 NOTE

Hand sanitizer will be available at each entrance and all students will be encouraged to use it. At this time, health department guidelines do not allow for self service of any foods using a shared utensil (tongs or scoops) so we will continue to have more foods pre-wrapped/packaged and more items served by our staff. Considerable thought and planning have gone into keeping all our students safe during breakfast and lunch and each school has developed building-specific plans to facilitate this. These may include adding additional lunch periods to have less students in the cafeteria at one time, having students eat in other areas as well as the cafeteria, and adding additional tables to the cafeterias so that students can spread out.

Disruptions in our food supply chain are still a possibility and we may occasionally have to substitute menued items. We thank you for your patience and cooperation and look forward to serving your students this year.

Monthly breakfast and lunch menus are available on line at www.buchananschools.com under the food service tab. Paper copies are sent home with elementary students and are also available at each school office.

2021–22 BACK TO SCHOOL BUCHANAN BOARD OF EDUCATION ANNUAL NOTICES

NOTIFICATION OF ASBESTOS REINSPECTIONS

To: Parents & Staff of the Buchanan Community Schools

From: Alan Berget, Director of Operations

Date: July 2021

In compliance with the 1989 U.S. Environmental Protection Agency (EPA) Asbestos Hazard Emergency Response Act (AHERA), we have performed inspections of each of our school buildings for asbestos-containing building materials. The inspection findings and asbestos management plans are on file in each school administrative office and in the office at Central Maintenance.

The EPA requires us to perform reinspections of the asbestos materials every three years. The three-year reinspections were performed by an accredited asbestos inspector in January 2021. We perform the six month periodic surveillance as required by the AHERA regulations.

The results of the reinspections and management plans are on file in each school administrative office and Business Office. Everyone is welcome to view these at any time during normal school hours (M-F 8:00 a.m. – 4:00 p.m.). I will be available at 695-8400 to answer any questions you may have about asbestos in our buildings.

- The District has established the following information about each student as "directory information" and will make it available upon a legitimate request unless a parent, guardian, or adult student notifies the Records Control Officer in writing within (10) days from the date of this notification that she/he will not permit distribution of any or all such information: name, address; date and place of birth; photograph; major field of study; participation in officially recognized activities and sports; height and weight, if a member of an athletic team; dates of attendance; date of graduation and awards received; and any other information the District considers would not be harmful or an invasion of privacy, if disclosed.

PARENT NOTIFICATION REGARDING SEX EDUCATION AND AIDS CLASSES

The Board of Education has adopted a comprehensive Health Education Program which includes education on human sexuality and venereal and other non casual-contact communicable diseases such as AIDS. It is designed to provide an appropriate means for students to acquire the knowledge, skill and attitudes necessary to maintain good health. In compliance with State law and with its desire to maintain effective communication with parents and the community, the Board has made arrangements for the programs and instructional materials to be available for review by any parents or interested member of the community. If you wish to review any or all of the programs, please contact the principal of your child's school. After reviewing the programs, if you wish to discuss them, please contact the principal or the school office.

Your child is required to participate in these courses, but the law allows you the right to have your child excused from participating in classes which include instruction in sex education, reproductive health, family planning, and AIDS education. The Board's policy is to honor parent's written requests that their child be excused from certain classes in any course. We encourage you to personally review the program lessons and materials.

PROTECT YOUR CHILD FROM MENINGOCOCCAL DISEASE AND OTHER SERIOUS ILLNESSES THAT CAN AFFECT PRE-TEENS

Pre-teens and adolescents need vaccines to protect them from serious illnesses. Immunizations begin at birth and continue throughout life. These shots are an important step to maintain your child's health.

Meningococcal disease is a serious illness caused by bacteria which infects the blood or tissues around the brain and spinal cord.

- This germ can be spread from person to person by close contact.
- Common symptoms include a fever, rash, head-ache, or stiff neck.
- It can lead to brain damage, disability, and death.
- Meningococcal vaccine (MCV4) can protect children and adolescents from this disease.
- This vaccine is usually given to 11–12 year olds (6th graders).
- Because it is a newer vaccine, older adolescents may not have received it. Teens that have not had Meningococcal vaccine should be given a dose.
- Ask your child's health care provider if he/she needs the Meningococcal vaccine.

To obtain the Meningococcal vaccine and other immunizations for your child, see your child's health care provider or your local health department.

For more information about the Meningococcal vaccine or other immunizations, talk to your child's health care provider or call your local health department. Information is also available at the Centers for Disease Control and Prevention (CDC) website: www.cdc.gov/nip

There are vaccines that can protect pre-teens and adolescents from other serious diseases. Sixth graders and teens need the following shots if they have not already received them:

- 1 dose of meningococcal vaccine (MCV4)
- 1 dose of tetanus, diphtheria and pertussis vaccine (Tdap)
- 3 doses of human papillomavirus vaccine (HPV4- for girls only)
- 3 doses of hepatitis B vaccine (hepB)
- 2 doses of measles mumps rubella vaccine (MMR)
- 2 doses of chickenpox vaccine (var), if they did not have the disease
- At least 3 doses of polio vaccine (IPV or OPV)
- Some children & teens may need hepatitis A and flu vaccine

The Michigan Department of Education, in co-operation with the Michigan Department of Community Health, is required by law (2005 PA240, MCL380.1177a) to develop and make available to schools information on Meningococcal Meningitis.

CONCUSSION AWARENESS

A student cannot participate in a school-sponsored or operated athletic activity until the student and his or her parent have each received and read the concussion fact sheet for students and the concussion fact sheet for parents, respectively. Both the student and his or her parent must sign and return a form acknowledging receipt of the fact sheet or other concussion awareness educational material. At a minimum, schools must keep these acknowledgement forms in a permanent file as long as the student participates in a school-sponsored athletic activity.

MEMORANDUM TO PARENTS REGARDING SCHOOL BOARD POLICY ON DRUG-FREE SCHOOLS

In accordance with Federal Law, the Board of Education prohibits the use, possession, concealment, or distribution of drugs by students on school grounds, in school or school-approved vehicles, or at any school-related event. Drugs include any alcoholic beverage, anabolic steroid, dangerous controlled substance as defined by State statute or substance that could be considered a "look-alike" controlled substance. Compliance with this policy is mandatory for all students. Any student who violates this policy will be subject to disciplinary action, in accordance with due process and as specified in the student handbook, up to and including expulsion from school. When required by State laws, the District will also notify law enforcement officials. The District is concerned about any student who is a victim of alcohol or drug abuse and will facilitate the process by which she/he receives help through programs and services available in the community. Students and their parents should contact the school principal or counseling office whenever such help is needed.

PARENT NOTIFICATION OF PESTICIDE SPRAY ON SCHOOL PREMISES

State of Michigan law requires schools that may apply pesticides on school property to provide an annual advisory to parents or guardians of students attending the facility.

Please be advised that the Buchanan Community Schools utilizes an Integrated Pest Management (IPM) approach to control pests. IPM is a pest management system that utilizes all suitable techniques in a total pest management system with the intent of preventing pests from reaching unacceptable levels or to reduce an existing population to an acceptable level. Pest management techniques emphasize sanitation, pest exclusion, and biological controls. One of the objectives of using an IPM approach is to reduce or eliminate the need for chemical applications of pesticides. However, certain situations may require the need for pesticides to be utilized.

As required by State of Michigan law, you will receive advance notice regarding the non-emergency application of a pesticide such as an insecticide, fungicide or herbicide, other than a bait or gel formulation, that is made to the school grounds or buildings during this school year. In certain emergencies, such as an infestation of stinging insects, pesticides may be applied without prior notice to prevent injury to students, but you will be notified following any such application.

Application of pesticides will be performed only by certified or registered applicators where and when required. If a pesticide is applied in a building, students will not occupy the room for a minimum of four hours. At the time of application, a sign will be posted for 48 hours near the building's primary point of entry. When a pesticide is applied to school district grounds, the application will not be made within 100 feet of occupied classrooms, and flags will be inserted in the ground to mark the application area.

Advance notification of pesticide applications, other than a bait or gel formulation, will be given by two methods. The first method will be by a posting at the main entrance of the school to which the pesticide application is being made. The second method will be by a posting on the school's website at www.buchananschools.com.

Please be advised that parents or guardians of children attending the school are entitled to receive the advance notice of a pesticide application, other than a bait or gel formulation, by first class United States mail postmarked at least 3 days before the pesticide application, if they so request. If you prefer to receive the notification by first class mail, please contact Alan Berget in Operations at 269-695-8400 ext.20134 or aberget@buchananschools.com.

Please be advised that parents or guardians of children attending the school may review the school's Integrated Pest Management program and records of any pesticide application upon request. If you have any questions, please feel free to contact me directly at 269-695-8400 ext.20134 or aberget@buchananschools.com.

PARENT NOTIFICATION REGARDING BLOODBORNE PATHOGENS

The Buchanan Community Schools is subject to new regulations from OSHA to restrict the spread of hepatitis B virus (HBV) and human immune deficiency virus (HIV) in the workplace. These regulations are designed to protect employees of the District who are, or could be exposed, to blood or other contaminated bodily fluids while performing their job duties.

Because of the very serious consequences of contracting HBV or HIV, the District requests the person who was bleeding to consent to be tested for HBV and HIV. This information would then be provided both to the exposed employee and the treating physician to determine proper medical treatment.

The law does not require parents or guardians to grant permission for the examination of their child's blood, but it does require the District to request that consent. Although we expect that incidents of exposure will be few, we wanted to notify parents of these requirements ahead of time. That way, if the situation does develop you will understand the reason for our request and will have had an opportunity to consider it in advance. These are serious diseases, and we sincerely hope that through proper precautions and cooperation we can prevent them from spreading. If you have any questions or concerns, please contact 695-8401.

STUDENT PRIVACY AND PARENTAL ACCESS TO INFORMATION

The Board of Education respects the privacy right of parents and their children. No student shall be required as a part of the school program or the District's curriculum without prior written consent of the student, (if an adult or an emancipated minor) or, if an unemancipated minor, his/her parents, to submit to or participate in any survey, analysis, or evaluation that reveals information concerning:

- political affiliations or beliefs of the student or his/her parents;
- mental or physical problems of the student or his/her family;
- sex behavior or attitudes
- illegal, anti-social, self-incriminating or de-meaning behavior;
- critical appraisals of other individuals with whom respondents have close, family relationships;
- legally-recognized privileged and analogous relationships, such as those of lawyers, physicians, and ministers;
- religious practices, affiliations or beliefs of the student or his/her parents;
- or income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program).

The Superintendent shall ensure that procedures are established whereby parents may inspect any material used in conjunction with any such survey, analysis, or evaluation.

Further, parents have the right to inspect, upon request, a survey or evaluation created by a third party before the survey / evaluation is administered or distributed by the school to the student. The parent will have access to the survey / evaluation within a reasonable period of time after the request is received by the building principal.
