Dear Buchanan Community Schools Family and Friends,

Last night, a Facebook post was accidentally posted to the Buchanan Community Schools Official Facebook page. The Buchanan Board of Education and Buchanan Community Schools disclaims responsibility for the individual public statement. The views that were expressed are those of an individual Board member and do not reflect the views of the Board as a whole, other Board members, nor the school district. Neither Buchanan Community Schools nor the Buchanan Community Schools Board of Education endorses an individual school board candidate.

Our Facebook page is a valuable resource of communication to our school families and the community therefore we hold this responsibility in high regard of being ethical, responsible and respectful when posting district information.

We are currently reviewing our Facebook set-up and protocols. While we are in the process of reviewing, our Buchanan Community Schools' Facebook page will be inactive. We will make an announcement on our website when the Facebook page is reactivated.

As always, thank you for the opportunity to serve the students, parents and community.
