MESSAGE

FROM

MRS. DENISON

Dear Families,

Every month is the month to spread kindness, but during the month of February, our Little Bucks are going to focus on ways to show kindness.

As a building, students are going to create cards that will be distributed to area seniors at Redbud Meadows and the Buchanan Senior Center.

In-person students will have their photo taken on our Be the I in Kind wall and share a way they can show kindness towards others.

Kindness is contagious and we will work to instill this valuable character trait in our students, especially this month.

Stacey Denison, Principal

Yearbooks were not included in fall picture packages. If you did not purchase a package, you can still order a yearbook. They will be \$10. You can order online at the web address above or forms will be coming home soon. Orders due by March 5th.

Project LEAN Nutrition Classes

First grade and kindergarten classes are taking part in virtual nutrition classes with Ms. Molly Sandman, Project Lean instructor through the VanBuren Intermediate School District. This program services nearly 12, 000 students in southwestern Michigan.

The six class series incorporates evidence-based and best practice literacy-focused nutrition intervention that includes:

- Literacy-based nutrition lessons
- Nutrition-themed book readings
- Movement activities

Typically these classes are taught in-person with food tasting and hands-on activities, with district building protocols, the lessons are presented virtually. For more information about this program and recipes, visit <https://www.vbisd.org/Page/1662>

Can I Send My Child To School?

Students should not go to school or any school activities or sports if having symptoms of COVID-19. If they start having symptoms of COVID-19 while at school, they will need to be sent home. They may return based on the guidance for their diagnosis.

As long as there are cases of COVID-19 in the community, there will be no way to prevent all risks of COVID-19 spread in schools. The goal is to keep children in optimal learning environments, while reducing COVID-19 risks.

If your child has been placed into isolation or quarantine for COVID-19, they may not attend school.

DOES YOUR CHILD HAVE SYMPTOMS OF COVID-19?*

(If new, different, or worse than any longstanding conditions)

- Temperature 100.4 or signs of fever (chills/sweating)
- Sore throat
- New uncontrolled cough that causes difficulty breathing
- Diarrhea, vomiting, or abdominal pain
- New onset of severe headache

Stay Home

If "YES" to any symptoms present, student should stay out of school until they meet criteria for return based on their symptoms.

OK to attend school

If "NO", student can go to school. Always monitor your child for symptoms before the start of the school day.

If you are asked to get a medical evaluation for your child, you may call your health care provider, or to follow up with a local clinic or urgent care center. While testing is not required, students may need to be excluded from in-person instruction for a longer period of time.

Version: 7/31/2020

DISCLAIMER: This information was developed based on the latest information, but is subject to change at any time.

The BUCK 3

BE RESPECTFUL
BE RESPONSIBLE
BE SAFE

We learn and practice expectations in all areas of our building. Hallways, arrival, dismissal, lunch room, even the bathrooms. Remind your child to remember to follow the Buck 3 in all of these areas and earn tickets for school-wide rewards.

WE

FEEDBACK!

"Feedback is not advice, praise, or evaluation. Feedback is information about how we are doing in our efforts to reach a goal."

Grant Wiggins

The Ottawa School Family works hard every day to make our school the best it can be. Please tell us how we're doing! To submit your feedback, please contact Stacey Denison by phone (269-695-8409) or email sdenison@buchananschools.com
We appreciate it!
