### Board of Education

The Board of Education Meeting taking place in May will begin at 7 p.m. immediately following EOY Reception.

- Monday, May 17 at the High School

### M-STEP TESTING

M-STEP is a 21st Century online test designed to gauge how well students are mastering state standards. These standards broadly outline what students should know and be able to do in order to be prepared to enter the workplace, career education training, and college. Third and fourth grade students will be finishing up their testing the first week of May! Make sure you're getting enough sleep the night before, as well as, eating a good (but not heavy) breakfast. Eggs, veggies, nuts, and fruits will heighten cognitive function.

### 2ND GRADE GARDEN PROJECT

The Second Grade Garden Project is planned for May 10—May 14 (weather and ground conditions permitting). Students will be headed to the school farm to plant pumpkins which will be used for the annual Pumpkin Patch visits in the fall. Farm day visits would be a good day to wear old clothes and boots.

### Tentative Schedule of Events

- 04 Third grade MSTEP testing
- 06 Fourth grade MSTEP testing
- 09 Mother's Day
- 10—14 Second grade Garden Project
- 17 Tax Day
- 31 Memorial Day, NO SCHOOL

### END OF THE YEAR REMINDERS

The end of the school year is fast approaching and we wanted to pass along some reminders:

- Inhalers/Epi Pens/medications must be picked up by a parent on the last day of school. All items will be destroyed by Friday, June 18, if not picked up.
- Library books should be returned. Notices will be sent home with a replacement cost if not returned.
- Report cards will be sent home the last week of June.

### APRIL SAFETY PATROL OF THE MONTH

Congratulations to **Addison B** who was selected by Dr. Dunn and Mrs. Holloway as April's Safety Patroller of the Month! Addison is always kind. She puts safety first while treating everyone fairly and with respect. We're very lucky to have Addison as a Safety Patroller. Thank you for all you do!
