Dear Families and Staff,

At this time, the Berrien County Health Department has answered a few questions regarding masks in schools since the new CDC mask guidance released yesterday.

- As of now, the CDC's school guidance remains unchanged. Most students will still be unvaccinated and schools should follow CDC's guidance for schools.
- Teachers, school administrators, and staff should continue to follow CDC's school guidance until more people and children are vaccinated.

All students and staff are still required to wear masks during school and on school buses.

Thank you for your continued cooperation and support while we navigate the pandemic together.

Sincerely,

A handwritten signature in black ink, appearing to read "Patricia Robinson".

Patricia Robinson
Superintendent
