COMMITTED TO CARINGS, STRIVING FOR EXCELLENCE!

## PRINCIPAL'S PAGE

Dear BMS Families,

We made it! After one wild ride of a year, it is finally time to relax and enjoy the beautiful Michigan sunshine. The correct words are escaping me, but please know that on behalf of the staff at BMS, we are forever grateful for the support, love, and patience you gave us during this pandemic school year. The resilience and perseverance of your students have made a lasting impression on us all. Together we made it through new COVID protocols and procedures, remote learning, and multiple bouts of quarantine. Through it all, our students had some of the best NWEA growth we have seen.

As summer approaches, I would not fulfill my duty as principal if I did not remind you that the "academic summer slide" in students is a legitimate concern. Please keep your children reading over the summer. A free membership to the public library is a wonderful opportunity to ensure students have books in their hands. When you head out to dinner as a family, teach your children how to calculate a tip, or have them estimate a total when out shopping based on the prices of items. Both are great ways to keep math skills fresh.

For those seventh-grade families, it has been a true honor to serve as principal for your children. That is quite a wonderful group of young leaders. I cannot wait to read about their future successes. For my fifth and sixth-grade families, I look forward to continuing the momentum next year. I can promise you that the academic growth, fun, and middle school memories will continue!

Have a wonderful summer! Go Bucks!

# THANK YOU FOR A GREAT, SAFE YEAR!

Don't get caught by the summer slide. Read at least 20 minutes a day!

See you in the fall Jr. Herd!  
Enjoy your summer vacation!

## SUMMER

## LUNCH

## PROGRAM
