Nurturing Hearts, Developing Minds, Inspiring Dreams

*September 2021 Edition  
Ottawa Elementary School*

## MESSAGE FROM MRS. DENISON

Dear Little Bucks Families,

I am thrilled to be at Ottawa working with our youngest learners and early childhood teaching staff.

For those of you that may not know me, this is my 23rd year as a Buck. I began my career at Moccasin as a special education teacher for two years, followed by sixteen years as a first grade teacher, and beginning my fifth year as a principal.

Guiding, growing, and empowering others, whether they are five or forty-five years old is why I love my job! I believe in continuous growth and learning and encouraging others to do the same!

Every individual that walks through our doors have the ability to learn and thrive. I am so proud to be a Buck and grateful for the opportunity to serve your family.

If you ever have a concern, question, or comment please feel free to call or email and I will be happy to speak with you.

Stacey Denison, Principal

# PBIS: Positive Behavioral Interventions and Supports

At Ottawa we utilize a three-tiered behavioral system that focuses on improving the school environment with positive behaviors. We model and teach what we expect to see from students with the Buck 3. Be Respectful, Be Responsible, and Be Safe. We have spent the first two weeks focusing on the Buck 3 and teaching students our school-wide expectations.

There are various ways to promote positive behaviors through Buck 3 tickets and Buck High Five certificates. The tickets are collected throughout the building in classrooms, the library, lunchroom, hallways, anytime we spot consistent positive behavior. At the main entrance of our school is a large ticket bin where all tickets are collected to reach school-wide goals! When goals are reached, we reward students with incentives, such as visits from Bucky!

Information will be sent home for you to become familiar with our expectations and the common language we use each day at school. We use phrases such as 'hands and feet to self' and 'personal space'. Reinforcing this language at home helps build the consistency we instill every day at school.
