Buchanan Families,

Today there was a parent incident in the student drop off line at Moccasin Elementary. Law Enforcement was called as a precautionary measure. Leadership will work with those involved for the next appropriate actions. During this incident students were safe.

This is a reminder that Buchanan Community Schools believes in providing a safe, supportive, respectful environment. When the environment is disrupted by students or parents we will take the necessary and appropriate actions to prevent these behaviors from happening on district property.

Educationally yours,
