WELCOME TO THE 2022-2023 SCHOOL YEAR!

Buck Families,

It is hard to believe that summer break is close to an end however, I hope you were able to enjoy most of the beautiful days we have had here in Michigan. I welcome you to the 2022-2023 school year with enthusiasm and promise. The enthusiasm of seeing familiar faces and those who are new. The enthusiasm for starting anew with fresh ideas and a clean slate. The promise of attaining new accomplishments and striving in an environment that seeks excellence for all students so that students are capable of succeeding in a global society.

On behalf of the Board of Education and myself, I would like to send a special welcome to our new students, new families, and our new staff. Choosing Buchanan Community Schools means you have chosen a place to grow, learn and experience a community of pride and togetherness.

This school year, I have made some leadership shifts within the district. These shifts align with overall goals in our strategic plans that focus on academics, programming, learning environment, culture, recruitment, retention, communications, community involvement, finance, and operations. Congratulations to our new leaders and current leaders who are ready to collaboratively work together on these plans.

As an institution of learning, we monitor our data around academic performance and strive to improve and move towards excellence. Last school year some teachers at Ottawa and Moccasin piloted the Foundations reading program. This program will now be implemented in grades K-2 for this school year. All schools will continue to utilize Professional Learning Communities as an avenue to build a collaborative culture, focus on learning and focus on results.

This summer we also held a successful summer program, installed the electronic marquee at the high school, improved network cabling, and purchased computer tables for Ottawa. New to our website is a link called "*Historical Archive*." The information on this page was gathered and assembled by former teacher and current board member, Ruth Writer. We are proud of the projects accomplished this summer and excited to share the rich history of Buchanan Community Schools with everyone.

Thank you for your continued support and I look forward to a successful school year.

ARRIVAL & DISMISSAL

All Ottawa staff members will be able to assist your child with any problem if they know their full name. Be sure your child's backpack always has the school-issued ID tag and they are able to communicate their first and last name.

- Any adult picking up children must be listed by the parent on the child's emergency card.
- All doors lock when the tardy bell rings at 8:40 and remain locked until the 3:43 dismissal. Please go to the front door and ring the doorbell to the right of the doors to enter after 8:40. **Students must be signed in by an adult after 8:40.**

Our safety procedures for adult to adult transfers of children at the beginning and end of day takes a little extra time, but keeping children safe is our number one priority. Please read carefully and adhere to these procedures for the safety of our staff, students and families.

School hours are 8:40-3:43. First bell rings at 8:35.

- Adult staff will be available to supervise students beginning at 8:10.
- Adults will not be able to enter the building with children past the front office doors. You may walk your child to the front doors or drop off in the north parking lot through the car line.
- Kindergarten and first graders will line up inside the fenced playground area adjacent to the north parking lot with adult supervision. When the weather is inclement, they will wait inside.
- Be sure your child arrives at school by 8:35 to avoid being marked tardy after 8:40.
- Breakfast begins at 8:10. If you would like your child to eat breakfast at school, they should arrive no later than 8:20 am. Preschool students are served breakfast within their classrooms.

CAR RIDERS

When dropping off or picking up your child in a vehicle you must use the north parking lot car line staffed by adults. There will be no drop-offs or pick-ups in front of the school on either side of Ottawa Street or in the south parking lot blocking the posted fire lane. To get in the car line drive down 3rd Street towards the school. We use hang tags. These will be available at the Open House. Sometimes the line may back up into Ottawa Court, **please do not block residents' driveways**.

WALKERS

Walkers will use the front entrance of the school for arrival and dismissal. If an adult walks their child to the front door in the morning or pick-up after school, please park in the Church of the Nazarene lot. Our buses may block the entrances to the south parking lot and you will not be able to exit until the buses leave. We have permission to use this parking lot at 704 W. Front. Please walk your child to and from this lot. We encourage parents if dropping off or picking up to use the car line in the north parking lot.

BUS RIDERS

Bus students enter through the front doors and report to the cafeteria to eat breakfast. Those not eating breakfast will join their before-school lines as detailed previously. After school, staff will walk students in their bus lines directly to the bus they ride home.

Please note, changes in your child's after-school plans for dismissal must be communicated adult to adult. Please call the office before 2:00 pm if there are transportation changes. Teachers do not always have time to check their email or messages during the day and we want to ensure your child's safety after school. Thank you for your understanding and cooperation!

We look forward to welcoming your little Buck!

Welcome to Moccasin Elementary School!

We look forward to meeting you at our Back to School Night.

MOCCASIN SCHOOL HOURS

- **Regular School Day** (Monday-Friday): 8:45 am- 3:48 pm
- **Wacky Wednesdays:** 8:45 am- 3:15 pm
- **Half Days:** 8:45 am- 12:10 pm

BACK-TO-SCHOOL OPEN HOUSE EVENT

Please join us for our Back to School Night on August 23, 2022 from 5:00-6:00pm. We will have a Grade 2 parent meeting with all incoming Grade 2 parents from 5:00-5:15pm in the gym.

ARRIVAL & DISMISSAL

- If you are dropping off your child, you might consider dropping them closer to 8:40, so your student does not have to wait outside for a long period of time.
- **Please drop off students on Fifth Street.** Students who are dropped off in the morning are to wait in the fenced-in playground area at the back of the school.
- **Breakfast begins at 8:20.** Students eating breakfast should enter through the gym doors off of Fifth Street. Students will then go to the playground area when done eating.
- Adult and Safety Patrol supervision for students begins at 8:20. Adult crossing guards and 4th-grade Safety Patrol will be on duty at designated crossings and building entrances around the school.

CAR RIDERS

Car riders will be picked up on Fifth Street on the south end of the building. Fifth Street is a one-way street that is accessed off of Main Street. Pick-up and drop-off will be one lane along the sidewalk by the gym entrance.

WALKERS

Walkers will exit the middle front entrance on Moccasin Street. As Moccasin has older elementary students, they will be released to walk home at the dismissal bell. Parents do not need to come in and check them out. If your child is a walker, please ensure that they know their designated walking route to and from school (the route you expect them to walk every day).

BUS RIDERS

The loading and unloading zone for buses is along the east side of Moccasin Street directly in front of the school from Fifth Street to just past the north parking lot. This area is designated as a bus loading & unloading zone only. NO car pick-up or drop-off is allowed in this zone.

BIKE RIDERS

Students may ride their bikes to school at Moccasin with parent permission. Bike helmets are encouraged. Bike racks are located in the back of the building near the south end off of Fifth Street. Bikes must be placed in the rack. Students and parents are responsible for providing locks to ensure the safety of their bike. The school is not responsible for bikes.

P.M. SHUTTLE BUS TO OTTAWA

Due to the age of Ottawa students coming to Moccasin via the shuttle, they **will not be released from the bus** until a parent or designated person comes to the bus door and accepts the child(ren). The person **must be listed on the student's emergency card** or approved by the school office prior to pick-up. Staff may ask the adult for an ID. If you are waiting for the shuttle, please park either before or after the bus pick-up zone on the east side of Moccasin Street (before 5th Street or after the exit for the north parking lot).

JR. HERD INFORMATION

SCHOOL DAY START & END TIMES

- **Full Day:** 7:30 am - 2:25 pm
- **Wacky Wednesday:** 7:30 am - 1:55 pm
- **Half-Day:** 7:30 am - 10:50 pm

BUCK PRIDE

At BMS our students are encouraged to exhibit their school **PRIDE** on a daily basis. School **PRIDE** consists of being **P**repared for class, **R**esponsible and respectful, having **I**ntegrity, **D**edicated to learning, and putting forth their best **E**ffort. BMS has a school-wide **PRIDE** program that recognizes our students for doing a great job in creating a learning environment that is safe, caring, and develops successful and responsible citizens.

FIRST DAY OF SCHOOL

School begins this year on Monday, August 29, 2022, with a full day of classes. The front cafeteria door will be open at 6:50 am for breakfast. If your child is not eating breakfast, Door 1 will also open at 6:50 am. Students will be placed in grade-level locations to wait for teachers to escort them to class.

Classes will begin at 7:30 am and end at 2:25 pm. Students should be out of the building by 2:40 pm unless, of course, they are staying for an activity. Learning punctuality is imperative for adolescents as we prepare them for their future. Please assist us in teaching our students the importance of being on time for school and all of their classes.

This year, as in previous school years, BMS students will receive a packet containing our school's yearly calendar, conference dates, report card dates, and other information that will keep you aware of what, when, where, and how things proceed at BMS.

Parents who drop off and pick up students before and after school are asked to do so in designated areas in front of the school (flagpole side). Please use caution driving in this area. After 7:40 am each school day, the front doors (by the flagpole) will be locked.

BMS DROP-OFF & PICK-UP PROCEDURES

Buses load and unload in front of the building. **Please do not park in the bus area located directly in front of the building OR IN THE TEACHER and VISITOR LOT from 6:50-7:20 am and 2:00-2:45 pm.**

During those times we ask you to stay in the inside lane and drop-off and pick-up along the sidewalk. PLEASE DO NOT PULL FORWARD ANY FURTHER THAN THE FIRE HYDRANT UNTIL DIRECTED BY THE POLICE OFFICER. Once you have dropped off or picked up you may merge into the outside or exit lane. In the morning, we are instituting a "STOP & GO" Policy. There will be no parking along the sidewalk. As buses begin to pull out, traffic will be stopped with the help of the Buchanan Police Department. As you exit the BMS Campus we ask that if you can, please only turn right as that will help with traffic flow.

Cars will be directed to pull forward in front of the building and allowed to drop-off and pick-up after all buses have arrived or departed. Please wait for the officer to direct you forward and remember to stay in the inside lane as you pull forward. The outside or exit lane is only for leaving campus.

At dismissal, parking in the church parking lot and having students cross 4th Street is not a safe practice. There is not a crossing guard there, and students should not cross the street at this point. While the car line may be long, it moves quickly. Please be patient.

Fall Picture Day

Friday, September 23

All students will have pictures taken for the yearbook and I.D.

HOME OF THE BUCKS!

Welcome to the 2022-2023 school year! When students return in the coming weeks, they will notice a few changes to staff and movement within the building. There has been movement in administration, some new staff added, and a few teachers have changed rooms. With all of that, we are diligently preparing and gearing up for another great year at BHS. BHS continues to offer a challenging curriculum, motivating and caring teachers, and an entire school community of people who care for our students. We will continue to check in with students and parents when an absence occurs as we believe student attendance and engagement is paramount to learning. Please read over our attendance policy as we at BHS feel it is vitally important for students to attend classes as we prepare our students for life. Communication between the school and the home is important to us and it is extremely important that we stay connected. BHS will continue to utilize the monthly Principal's Updates and will share them via email, Facebook, school website, Instagram, School Messenger, and Twitter. These updates contain important information for parents and students as well as showcase the amazing work of our students and teachers.

School Improvement is a continuous process and BHS works year-round to make our school a better place to learn. If you are interested in joining our conversations and helping with our initiatives, feel free to contact us for more information. The following are highlights of our current initiatives:

- **Chromebooks for every student grades 8 through 12.** Teachers continue to expand opportunities to use technology as a method to engage and promote student learning. Chromebooks are a required device during the school day. Device Protection Plans are available. Students are expected to have their assigned Chromebook along with their chargers with them in all classes.
- **Professional Development** opportunities for teachers that focus on making students the center of our conversations as we track academic growth and improve the culture and climate of our school. Teachers will also be trained in using technology platforms, specifically Google Suite applications.
- **Standards-Based Mindset Grading** continues to be a focus, as BHS strongly believes that grades should reflect actual learning and mastery of standards.
- **Virtual Learning** continues to improve with MyVirtual and our E-Lab. Credit recovery, as well as accelerations, are possible with the approval of the Principal. This platform will be used for all students who did not earn credit in their previous courses in order to keep them on track for graduation.
- **Wacky Wednesdays** will continue. Students are dismissed at 2:07 pm every Wednesday to allow weekly professional learning time for staff.
- **After-School Academic Learning Sessions** are once again offered Monday through Thursday.

The school year starts before Labor Day again this year. **Classes being Monday, August 29th.** We are looking forward to another year of working with our Buck families to make this a safe and positive learning environment! The BHS staff hopes to see you at our first home football game on August 25th at 7:00 pm against Saugatuck. **GO BUCKS!!**

SCHOOL STARTS AT 7:40 AM EVERY DAY.

The cafeteria doors open at 7:00 am and breakfast will be available. The front doors will open after 7:25 am. Students will stay in the cafeteria until released by staff. No students are allowed in the main building until 7:25 am.

BHS will release every Wednesday at 2:07 pm.

EIGHTH & NINTH GRADE CHROMEBOOKS

will be distributed at the BHS Back to School Night on August 24th from 6-7:30pm. Communication to families with more details on this event will be in the Back to School edition of the BHS Bucks Principal's Update.

COMMUNITY VOLUNTEERS are always needed and sought after. If you have a talent or skill that you would like to share with us, please reach out to the Principal's Office at 269-695-8403 ext. 1. No talents or skills are necessary however; sometimes we just need your time! All volunteers need to have a background check before working with students.

THE STUDENT HANDBOOK along with our Code of Conduct policies have been revised and may be found on our updated school website at www.buchananschools.com in September. Policies have been created with the goal of creating an environment that supports learning. Keep our dress code in mind when you are shopping for your child's school clothing. Students not adhering to the dress code will be sent home to change or will be given a change of clothes.

THE ATTENDANCE POLICY can be found in our student handbook. Please read it over carefully to make sure you understand it. Students are expected and required to complete assignments for each course even if absent. There is a *direct relationship* between school attendance and academic success. Students should make every effort to be in attendance daily. Please be sure that our attendance office is notified of all absences within 24 hours, if not a detention may result.

Look for more detailed information in the Back To School edition of the BHS Bucks Principal's Update that will be provided to our Buchanan High School families in fall!

Buchanan Community Schools operates quality special education programs in all four of our buildings!

Providing programs and services in Buchanan to eligible students are eight specially trained and certified special education teachers, eight para-professionals, and three speech and language pathologists. Support also comes from the following staff members from Berrien RESA (Regional Education Service Agency): school psychologist, school social worker, academic teacher consultant, mobility specialist, assistive technology specialist, teacher consultants of the visually impaired and the hearing impaired, occupational and physical therapists. Students are placed in programs through an Individual Educational Program Planning Committee meeting composed of local district and Berrien RESA diagnostic and educational staff once appropriate assessments have been administered and the student qualifies under Michigan special education rules and regulations. Nearly 200 PK-12 students receive some kind of special education services including speech and language during the school day in Buchanan.

Our special education programs serve a wide variety of eligible students with special educational needs in the following areas:

- Early Childhood Developmental Delay (ages 3-8)
- Specific Learning Disability, determined by a process of analyzing the student's pattern of learning strengths and weaknesses.
- Speech and Language Impaired for Language, Articulation/Phonology, Voice, and Fluency (stuttering) concerns
- Emotionally Impaired
- Cognitive Impairment
- Autistic Spectrum Disorder
- Traumatic Spectrum Disorder
- Otherwise Health Impaired
- Physically Impaired
- Hearing Impaired
- Visually Impaired

Some students need programs that are not offered within the district. The IEP process is used to make this determination and to place these students in programs that offer the services necessary to meet their goals and objectives. Transportation is provided for these students.

Almost 50 students receive services in center-based programs operated by Berrien RESA throughout the county including a cooperative inter-agency program for 0 - 2.5 year-olds in the Early On programs (269-471-7725) for infants and toddlers involving both parent and child.

Other center-based programs funded by Berrien RESA include:

- Berrien Springs Hearing Impaired Program provides services for students in the tri-county area. This program is operated by the Berrien Springs Public Schools. Students may attend a classroom program for the hearing impaired in Berrien Springs or may get teacher consultant services in their Buchanan classes. This program also provides on-site hearing diagnostic assessments with trained audiologists as well as follow-up with students who have suspected or verified hearing losses.
- Low-incidence special education programs for the cognitively impaired children who need full-time placements are available at Berrien Springs MS and HS, as well as Howard School in Niles and the Southside School Pre-vocational studies program for ages 16-25 in Niles. These students have below-average abilities and graduate with a certificate of completion. The curriculum focuses on independent living and employability skills.
- Blossomland Learning Center programs in Berrien Springs serve our moderate to severe cognitively impaired and severely multiply impaired students ages 3-26. The school assists students in preparing for entry into their respective communities as adults.
- Lighthouse Education Center in St. Joseph as well as Ballard and Southside Schools in Niles offer support to students with severe emotional impairments. These students exhibit a severity of emotional difficulties, which prohibits them from attendance in regular classrooms. Additionally, students may attend Lighthouse if they have severe autistic impairments.

All special education programs and services follow the rules and regulations for eligibility set forth by the State of Michigan's Department of Education. For further information about student eligibility policies and procedures, existing programs, or speech and language services, contact your building principal or Karin Falkenstein, District Special Education Supervisor at 269-695-8442.

PROCEDURE FOR THE COLLECTION AND PAYMENT FOR CHARGED MEALS

It is the responsibility of the parents to provide lunch for their children while at school. However, it is important that children receive the nutrition they need to stay focused during the school day. This procedure shall apply in the event that a child neither has a lunch nor the funds to purchase a lunch.

An elementary student (grades Kindergarten - 4th) may charge up to \$10.

A middle school student (grades 5-7) may charge up to \$5.

A high school student (grades 8-12) may charge only one (1) lunch at any time until their charges are paid.

There will be no charges allowed for adults or for food and beverages purchased ala carte.

Parents of elementary students with negative meal accounts will receive a letter from the Food Service Department regarding the amount of money owed. Parents may also view the activity in their child's meal account via the internet through the Districts Food Service Web Portal. The Web Portal may also be used to make payments for school meals.

NOTE: No charging will be allowed during the last two full weeks of the school year in order to allow time for all meal accounts to be brought into good standing before the end of the year.

At the discretion of the Food Service Department, a private service fund may be established to pay for a student's charged meals. The Food Service Supervisor will work with the family to determine a payment schedule for these meals.

Safely transporting students to a foundation of lifelong learning and working together as a team to provide safe and successful transportation services.

GENERAL RULES FOR TRANSPORTATION

- Be on time at your designated bus stop. Drivers have a schedule to meet and cannot wait for tardy pupils. If the bus cancels its lights or pulls away, **DO NOT CHASE THE BUS**. This is how accidents happen.
- Cheerfully obey the bus driver's instructions. Friendly, respectful people get along better.
- Students are expected to display good behavior while on the bus. Quiet conversation is fine. When approaching a railroad crossing, students are to be silent until the bus is safe across the tracks.
- Always remain seated while a bus is moving. It may be necessary to sit three to a seat. The driver may also assign seats.
- Wait until the bus has come to a complete stop before attempting to enter or leave the bus.
- Eating or drinking is not permitted on the buses except for special occasions approved by the driver.
- Students are expected to help keep the buses clean. Dispose of paper and other unwanted items properly.
- Musical instruments, books, projects, or other personal items must be held by the owner or placed in a special seat designated by the driver if the room is available. We encourage parents to transport on days large items must be taken to school.
- Stay off the roadways at all times while waiting for a bus. Form a single line and board the bus one at a time. Remember to respect the property of others while waiting for the bus.
- Hands and heads are to be kept inside the bus at all times. There will be no unnecessary disturbing noises or vulgar/profane language.
- Students are expected to get on and off the bus at their designated stops **ONLY**. A parent/guardian must contact the school office directly, either by phone or by sending a note with their student. Please include the date, name, and address of where your child needs to be dropped off. The drivers will **NOT ACCEPT** notes, text messages, or phone calls from a parent on the student's cell phone while loading at the school. **A bus pass must be issued through the office. NO EXCEPTIONS!**
- When crossing, students must be 10 ft. in front of the bus, stop and look at the driver. When the driver gives a sweeping motion of their hand, students may then cross only in front of the bus. **NEVER** should a student cross the road behind the bus.
- Animals, glass containers, and helium balloons are not allowed on the buses.
- Students are asked to report any damage they see to the driver. Vandalism is a serious issue and will be addressed as soon as possible.
- Riders are expected to be considerate to all other passengers and to the driver at all times.
- Misconduct on the bus will not be tolerated. Drivers are in charge at all times and are required to report this behavior to the building principals. Riding privileges may be suspended.
- Remember...school bus transportation is a privilege, not a right. Misconduct may result in the loss of this privilege.

RESPONSIBILITY OF PARENTS

- Review bus riding rules with your child.
- Be sure your child arrives at their stop 5-10 minutes prior to bus arrival.
- Provide necessary protection for your child at the stop.
- Accept the responsibility for your child's conduct at the bus stop and on the school bus. *Remember: "Adults set the example and mood for their children."*

2022-23 BACK TO SCHOOL BUCHANAN BOARD OF EDUCATION ANNUAL NOTICES

NOTIFICATION OF ASBESTOS REINSPECTIONS

To: Parents & Staff of Buchanan Community Schools
From: Mark Kurland, Assistant Superintendent of Instruction & Operations
Date: July 2022

In compliance with the 1989 U.S. Environmental Protection Agency (EPA) Asbestos Hazard Emergency Response Act (AHERA), we have performed inspections of each of our school buildings for asbestos-containing building materials. The inspection findings and asbestos management plans are on file in each school administrative office and in the office at Central Maintenance.

The EPA requires us to perform reinspections of the asbestos materials every three years. The three-year reinspections were performed by an accredited asbestos inspector in January 2021. We perform the six-month periodic surveillance as required by the AHERA regulations.

The results of the reinspections and management plans are on file in each school's administrative office and Business Office. Everyone is welcome to view these at any time during normal hours (M-F 8:00 a.m. - 4:00 p.m.). I will be available at 695-8400 to answer any questions you may have about asbestos in our buildings.

The District Coordinator, on request, will provide a copy of the District's grievance procedure and investigate all complaints in accordance with this procedure. A copy of each of the Acts and the regulations on which this notice is based may be found in the District's Superintendent's Office. In accordance with Federal law, any person employed by this District must provide evidence that they are eligible to work in the United States.

DIRECTORY INFORMATION ON STUDENT

In compliance with Federal regulations, the Buchanan School District has established the following guidance concerning student records:

- The building principal is the Records Control Officer for the building and is responsible for the processing and maintenance of all student records.
- Each student's records will be kept in a confidential file. The information in a student's record file will be available for review only by the parents or legal guardian of a student, adult student (18 yrs. of age or older), and those designated by Federal law of District regulations.
- A parent, guardian, or adult student has the right to request a change or addition to a student's records and to either obtain a hearing with District officials or file a complaint with the U.S. Office of Education if not satisfied with the accuracy of the records, or with the District's compliance with the Federal Education Rights Privacy Act (FERPA).
- The District has established the following information about each student as "directory information" and will make it available upon a legitimate request unless a parent, guardian, or adult student notifies the Records Control Officer in writing within (10) days from the date of this notification that they will not permit distribution of any or all such information: name, address, date, and place of birth, photograph, major field of study, participation in officially recognized activities and sports, height and weight, if a member of an athletic team, dates of attendance, date of graduation and awards received, and any other information the District considers would not be harmful or an invasion of privacy if disclosed.
- A copy of the policy and the accompanying guidelines are available at the Board office. There will also be a person available to answer any questions concerning the policy or guidelines.

PARENT NOTIFICATION REGARDING SEX EDUCATION AND AIDS CLASSES

The Board of Education has adopted a comprehensive Health Education Program which includes education on human sexuality and venereal and non-casual-contact communicable diseases such as AIDS. It is designed to provide an appropriate means for students to acquire the knowledge, skill, and attitudes necessary to maintain good health.

In compliance with State law and with its desire to maintain effective communication with parents and the community, the Board has made arrangements for the programs and instructional materials to be available for review by any parents or interested members of the community. If you wish to review any or all of the programs, please contact the principal of your child's school. After reviewing the programs, if you wish to discuss them, please contact the principal or the school office.

Your child is required to participate in these courses, but the law allows you the right to have your child excused from participating in classes that include instruction in sex education, reproductive health, family planning, and AIDS education. The Board's policy is to honor parents' written requests that their child be excused from certain classes in any course. We encourage you to personally review the program lessons and materials.

PROTECT YOUR CHILD FROM MENINGOCOCCAL DISEASE AND OTHER SERIOUS ILLNESSES THAT CAN AFFECT PRE-TEENS

Pre-teens and adolescents need vaccines to protect them from serious illnesses. Immunizations begin at birth and continue throughout life. These shots are an important step to maintain your child's health.

Meningococcal disease is a serious illness caused by bacteria that infects the blood or tissues around the brain and spinal cord.

- This germ can be spread from person to person by close contact.
- Common symptoms include a fever, rash, headache, or stiff neck.
- It can lead to brain damage, disability, and death.
- Meningococcal vaccine (MCV4) can protect children and adolescents from this disease.
- This vaccine is usually given to 11-12-year-olds (6th graders).
- Because it is a newer vaccine, older adolescents may not have received it. Teens that have not had Meningococcal vaccine should be given a dose.
- Ask your child's health care provider if they need the Meningococcal vaccine.

To obtain the Meningococcal vaccine and other immunizations for your child, see your child's health care provider or your local health department.

For more information about the Meningococcal vaccine or other immunizations, talk to your child's health care provider or call your local health department. Information is also available at the Center for Disease Control and Prevention (CDC) website: www.cdc.gov/vaccines.

There are vaccines that can protect pre-teens and adolescents from other serious diseases. Sixth graders and teens need the following shots if they have not received them:

- 1 dose of meningococcal vaccine (MCV4)
- 1 dose of diphtheria, tetanus, pertussis vaccine (DTP, DTaP, Tdap)
- 3 doses of human papillomavirus vaccine (HPV4 - for girls only)
- 3 doses of hepatitis B vaccine (HepB)
- 2 doses of measles, mumps, rubella vaccine (MMR)
- 2 doses of chicken pox vaccine (var), if they did not have the disease
- At least 3 doses of polio vaccine (IPV or OPV)
- Some children & teens may need hepatitis A and flu vaccine

The Michigan Department of Education in cooperation with the Michigan Department of Community Health is required by law (2005 PA240, MCL380.1177a) to develop and make available to schools information on Meningococcal Meningitis.

CONCUSSION AWARENESS

A student cannot participate in a school-sponsored or operated athletic activity until the student and their parent have each received and read the concussion fact sheet for students and the concussion fact sheet for parents, respectively. Both the student and parent must sign and return a form acknowledging receipt of the fact sheet or other concussion awareness educational material. At a minimum, schools must keep these acknowledgment forms in a permanent file as long as the student participates in a school-sponsored athletic activity.

MEMORANDUM TO PARENTS REGARDING SCHOOL BOARD POLICY ON DRUG-FREE SCHOOLS

In accordance with Federal Law, the Board of Education prohibits the use, possession, concealment, or distribution of drugs by students on school grounds, in school or school-approved vehicles, or at any school-related event. Drugs include any alcoholic beverage, anabolic steroid, dangerous controlled substance as defined by State statute or substance that could be considered a "look-alike" controlled substance. Compliance with this policy is mandatory for all students. Any student who violates this policy will be subject to disciplinary action, in accordance with due process and as specified in the student handbook, up to and including expulsion from school. When required by State laws, the District will also notify law enforcement officials. The District is concerned about any student who is a victim of alcohol or drug abuse and will facilitate the process by which they receive help through programs and services available in the community. Students and their parents should contact the school principal or counseling office whenever such help is needed.

PARENT NOTIFICATION OF PESTICIDE SPRAY ON SCHOOL PREMISES

State of Michigan law requires schools that may apply pesticides on school property to provide an annual advisory to parents or guardians or students attending the facility.

Please be advised that Buchanan Community Schools utilizes an Integrated Pest Management (IPM) approach to control pests. IPM is a pest management system that utilizes all suitable techniques in a total pest management system with the intent of preventing pests from reaching unacceptable levels or reducing an existing population to an acceptable level. Pest management techniques emphasize sanitation, pest exclusion, and biological controls. One of the objectives of using an IPM approach is to reduce or eliminate the need for chemical applications of pesticides. However, certain situations may require the need for pesticides to be utilized.

As required by State of Michigan law, you will receive advance notice regarding the non-emergency application of a pesticide such as an insecticide, fungicide or herbicide, other than a bait or gel formulation, that is made to the school grounds or buildings during this school year. In certain emergencies, such as an infestation of stinging insects, pesticides may be applied without prior notice to prevent injury to students, but you will be notified following any such application.

Application of pesticides will be performed only by certified or registered applicators where and when required. If a pesticide is applied in a building, students will not occupy the room for a minimum of four hours. At the time of application, a sign will be posted for 48 hours near the building's primary point of entry. When a pesticide is applied to school district grounds, the application will not be made within 100 feet of occupied classrooms, and flags will be inserted in the ground to mark the application area.

Advance notification of pesticide applications, other than a bait or gel formulation, will be given by 2 methods. The first method will be by posting at the main entrance of the school to which the pesticide application is being made. The second method will be by posting on the school's website at www.buchananschools.com.

Please be advised that parents or guardians of children attending the school are entitled to receive the advance notice of a pesticide application, other than a bait or gel formulation, by first-class United States mail postmarked at least 3 days before the pesticide application, if they so request. If you prefer to receive the notification by first-class mail, please contact Mark Kurland, Assistant Superintendent of Instruction & Operations at 269-695-8400 ext. *20005 or mkurland@buchananschools.com.

Please be advised that parents or guardians of children attending the school may review the school's Integrated Pest Management program and records of any pesticide application upon request. If you have any questions, please feel free to contact me directly at 269-695-8400 ext. *20005 or mkurland@buchananschools.com.

PARENT NOTIFICATION REGARDING BLOODBORNE PATHOGENS

Buchanan Community Schools is subject to regulations from OSHA to restrict the spread of hepatitis B virus (HBV) and human immunodeficiency virus (HIV) in the workplace. These regulations are designed to protect employees of the District who are, or could be exposed, to blood or other contaminated bodily fluids while performing their job duties.

Because of the very serious consequences of contracting HBV or HIV, the District requests the person who was bleeding consent to be tested for HBV and HIV. This information would then be provided both to the exposed employee and the treating physician to determine proper medical treatment.

The law does not require parents or guardians to grant permission for the examination of their child's blood, but it does require the District to request that consent. Although we expect that incidents of exposure will be few, we wanted to notify parents of these requirements ahead of time. That way, if the situation does develop you will understand the reason for our request and will have had an opportunity to consider it in advance. These are serious diseases, and we sincerely hope that through proper precautions and cooperation we can prevent them from spreading. If you have any questions or concerns, please contact 269-695-8401.

STUDENT PRIVACY AND PARENTAL ACCESS TO INFORMATION

The Board of Education respects the privacy right of parents and their children. No student shall be required as a part of the school program or the District's curriculum without the prior written consent of the student, (if an adult or an emancipated minor) or, if an unemancipated minor, their parents, to submit to or participate in any survey, analysis, or evaluation that reveals information concerning:

- political affiliations or beliefs of the student or their parents;
- mental or physical problems of the student or their family;
- sex behavior or attitudes;
- illegal, anti-social, self-incriminating, or demeaning behavior;
- critical appraisals of other individuals with whom respondents have close, family relationships;
- legally-recognized privileged and analogous relationships, such as those of lawyers, physicians, and ministers;
- religious practices, affiliations, or beliefs of the student or their parents;
- or income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program).

The Superintendent shall ensure that procedures are established whereby parents may inspect any material used in conjunction with any such survey, analysis, or evaluation.

Further, parents have the right to inspect, upon request, a survey or evaluation created by a third party before the survey/evaluation is administered or distributed by the school to the student. The parent will have access to the survey/evaluation within a reasonable period of time after the request is received by the building principal.

As a part of a media presentation produced by this District via computerized, audio-visual, or other types of electronic communication, students and/or their schoolwork products may be photographed, video or digitized. These photographs, videos, digitized works, or other items may be made available to other educational institutions, broadcast mediums, or through the internet. As a result, a student's image, name, work product, school, or grade may be revealed in the presentation unless a parent, guardian, or adult student notifies the building principal in writing within ten (10) calendar days from the date of this notification that they will not permit the use of such material.

PARENTS RIGHT TO REVIEW TEACHER QUALIFICATIONS

As a parent of a student at Buchanan Community Schools, you have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law allows you to ask for certain information about your child's classroom teachers and requires us to give you this information in a timely manner if you ask for it. Specifically, you have the right to ask for the following information about each of your child's classroom teachers:

- Whether the Michigan Department of Education has licensed or qualified the teacher for the grades and subjects they teach.
- Whether the Michigan Department of Education has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.
- The teacher's college major; whether the teacher has any advanced degrees and, if so, the subject of the degrees.
- Whether any teachers' aides or similar paraprofessionals provide services to your child and, if they do, their qualifications.

If you would like to receive any of this information, please call Buchanan Community Schools at 269-695-8401.

NOTICE OF RIGHT TO INSPECT INSTRUCTIONAL MATERIALS

It is the policy of the Board of Education that complaints and concerns of parents and other members of the community are to be dealt with as efficiently as possible but in accordance with school policy. The complete form should be submitted to the principal who will respond to your request in accordance with the steps outlined in Board policy 9130, a copy of which is available upon request.
