Pandemic programs allowing free meals for all students nationwide have expired. Beginning with the first day of school, meals will be charged to your student's lunch account based on the rate your family qualifies for; either Free, Reduced, or Full Pay.

Many families will qualify for free or reduced meals through Direct Certification by the State of Michigan. If you are unsure of your status, please contact us. You can also fill out a Free & Reduced application (one per family) either on paper or online.

We strive to keep student breakfasts & lunches affordable, as well as healthy and appealing to kids. Prices are as follows:

Ottawa & Moccasin

Breakfast: \$.30 reduced, \$1.00 full pay

Lunch: \$.40 reduced, \$2.25 full pay

Middle School and High School

Breakfast: \$.30 reduced, \$1.10 full pay

Lunch: \$.40 reduced, \$2.50 full pay
