

BUCKS in ACTION

"The second graders at Moccasin attended The Nutcracker at the Morris Performing Arts Center on December 9. They spent the weeks prior to the performance reading the story, listening to the music, and learning the basics of ballet, as well as many theater vocabulary words. They were so excited that we were seated in the third balcony and had the best view in the auditorium! We were also thrilled to learn that one of our second graders, Lola Tabor, was part of the production. The teachers were so proud of the students' positive behavior and enthusiasm for this once-in-a-lifetime experience."

~Ms. Melissa Prestine, Ottawa & Moccasin Music Teacher
