

Thank  
YOU

**Buchanan Community Schools Food Service Department would like to thank the individuals, companies, and civic organizations who have donated recently to our Bucky Fund. These generous donations allow us to pay down the negative food accounts of those students who do not qualify for Free Lunches, but whose families still struggle to afford their school meals.**

*Your thoughtfulness is greatly appreciated!*

For more information on the Bucky Fund,  
please contact Becky Kaltenbach at
